What Information do you need to order a commission sample?

Start by telling me a bit about your book, Make sure to include as much info as possible (Eg. Character description, setting, blurb, genre). If you don't have your blurb ready yet this is completely fine, I can add this info at any time the same with sizing the printable wrap. The most important info is the text for the e-book, title, authors name, series and tagline because the placement needs to work with the design.

If you would like to look for your own images, please follow these steps:

1. Go to one of the following stock sites (image costs included in my packages) find a few images you like and email me the links to kellie@bookcoverbydesign.co.uk (Don't buy them)

depositphotos - istockphoto - adobe

Or for an extra small cost you can try these sites:
Period Images - JL - Hot Damn Stock - Neo Stock - The Reed Files - Period Stock -
Figure Stock - Stocklarium

2. I will make up to 3 samples and send them to you to proof.
3. You choose which design you like the best.
4. I will send you an invoice once the funds have cleared you will receive your files.

YOU WILL GET 3 FREE AMENDMENTS WHILE WE ARE CONFIRMING THE SAMPLE DESIGN ANY MORE CHANGES AFTER THIS WILL BE CHARGED AT \$5 PER SAMPLE CHANGE
